Motion made and seconded to approve the December 10, 2003 minutes. Unanimous approval by acclamation.

4. GUEST SPEAKERS: Jeff Lyash, Senior V.P., Progress Energy

Jeff Lyash explained that his position was created with Progress Energy to ensure sharp focus on reliability and customer service in Florida. Mr. Lyash has been with Progress Energy for 11-years, two years in Florida. The merger of Carolina Power and Light, and Florida Power formed progress Energy. The larger company gives the ability to apply technology and resources, but at the same time keeping a local atmosphere level. A recent improvement has been a new system to expedite the response to 911 calls. Mr. Lyash told the Council he realizes that under grounding utilities is a very important issue to the beach communities and Progress Energy is very interested in working with the communities on these projects and is currently working with North Redington Beach on their under ground project.

A brief question and answer discussion followed. Vice President Kelly thanked Mr. Lyash for his presentation.

5. OLD BUSINESS:

5A. HB 409/SB 686

Vice Mayor Blush informed the BIG C on an update concerning House Bill 409 and Senate Bill 686; The Coastal Redevelopment Hazard Mitigation Demonstration Act. Documentation submitted to the City of Treasure Island gave the Council cause to reconsider their support of these bills and at their last meeting passed a resolution opposing these bills and will submit a signed resolution to the BIG C.

5B WEB Site

Vice President Kelly asked all members to please submit their biographical information to Digateel for the BIG-C web page.

6. NEW BUSINESS:

6A. Treasure Island Artificial Reef Project – Garner Koons & Harry Black

Mr. Black provided a handout to all for the presentation, comprising of an article from the Tampa Tribune and several pages from two studies that were done. Mr. Black reviewed with the Council statistics in support of artificial reef programs. A video is available for any who wish to review it.

Motion made and seconded that the Big C will support the Treasure Island Artificial Reef Project. Unanimous approval by acclamation.

6B PSTA

One of the task force reports from the American Assembly was on transportation. The committee for the transportation task force was comprised of non-elected officials, a position opposed by the Big C. The committee came up with two proposals, one being a 6-cent increase in gas tax and the other requiring all municipalities to become a member of the PSTA. When PSTA was established a number of communities, including, St. Pete Beach, Belleair Shore, Treasure Island, Belleair Beach, opted out. Since that time other communities wanting to opt out of the PSTA have been denied. During a recent meeting with Senator Jones, various Mayors voiced their concern of this proposed requirement, and Senator Jones assured that he is opposed to the recommendation and this is not an upcoming agenda item for legislation this year. Councilmen Smith asked if all municipalities are unified in the position of not wanting to belong to the PSTA.

Discussion ensued on services being forced on municipalities, and the expense of these services. This issue with the PSTA needs to be monitored carefully.

7. MISCELLANEOUS

7A Infrastructure Corporation of America – Bridge Inspection Program – David Rader

Mayor Yakes told the Council David Rader was not able to attend the meeting due to transportation issues.

Infrastructure Corporation of America is a total asset maintenance company. This company inspects all the bridges for the Tampa Bay area. Infrastructure Corporation of America is offering to have direct communication with the cities. Coordination possibly can be made as to a preferred time of day for inspections to be done.

7B Beach Renourishment

Nick Fritsch shared with the Council a document “Sharing our story” that was prepared under the advise of Senator Jones. It tells the story of the last renourishment, specifically in Sand Key. Vice President Kelly thanked Mr. Frit for all his work on beach renourishment.

7C Gulf Beaches Kiwanis – Eddie Lee

Eddie Lee represents the Gulf Beach Kiwanis. The Kiwanis is a non-profit service organization. The Kiwanis are offering the services of setting up a Town Meeting/Candidate Forum with an experienced moderator to any municipalities who are interested. The Kiwanis will also be conducting a “Get Out To Vote Campaign.”

8. ADJOURNMENT

There being no further business to come before the Council, the meeting adjourned.
